

# TECHTIPS

## for Students

D

Download the **DukeMobile App** for on campus maps, dining, transportation, events, and news.  
Available on the App or Google Play Store.

U

Useful, **free or discounted software** like Microsoft Office and Adobe Creative Cloud are available to all students.  
To download, visit [software.duke.edu](https://software.duke.edu).

K

Keep learning outside of the classroom with **free tech training, grants & makerspaces** through the Innovation Co-Lab.  
Learn more at [colab.duke.edu](https://colab.duke.edu).

E

**ePrint** enables students to print from computers and devices to dozens of print stations throughout campus. The ePrint website has an interactive map of all printers on campus and information on how to set up ePrint mobile via the Pharos app.  
Visit [eprint.oit.duke.edu](https://eprint.oit.duke.edu).

### Need additional support?

Get help from the **OIT Service Desk**.

Chat at [oit.duke.edu/help](https://oit.duke.edu/help) or call **(919) 684-2200**.

Visit **The Link**, in the lower level of Perkins Library.
